Chartered Accountants, Stratford-on-Avon.

Architect :

Mr. G. QUINTON.

The Forty-sixth Annual Report.

.....

To the Trustees and Subscribers of the Ellen Badger Hospital.

LADIES AND GENTLEMEN,

The past year has been one of some difficulty. Early in January the Hospital had to be closed by reason of an outbreak of Pemphigus. Several times during the year the Maternity Section was closed from the same cause. These enforced closures reduced the number of in-patients by 332 over the preceding year and greatly disorganised our finances, as our over-head charges continued, and, in addition, great expense was incurred by reason of disinfection and re-decoration.

Your Committee made a claim on the Ministry of Health for the loss of income that had been sustained, but the Ministry would not admit this, arguing that such closures were liable to occur to any hospital at any time, but eventually made an *ex-gratia* payment of the very meagre sum of £50.

By reason of this loss we again show a debit balance of £272 4s. 2d. on the year's working.

There has been a great difficulty in obtaining an adequate midwifery staff, which compelled many maternity cases to be refused—again resulting in a reduction in income.

So far, it has been impossible to secure nurses with the necessary qualifications, in spite of high salaries offered for the work.

There were 547 In-patients, as against 879 in 1941: of these 285 were Maternity cases, 130 were Medical, and 132 were Surgical—406 recovered, 69 improved, 36 showed no change, 19 died, and 17 were transferred. The number of Out-patients treated was 800: 141 were X-rayed, 100 received Light treatment, and 60 Eye treatment.

The average length of stay of In-patients was 12 days. The average cost per In-patient was £9 4s. 3d., and the average daily cost 15/4. The cost per Out-patient was 7/-.

During the year we installed a new X-ray apparatus at a cost of about £1,000

We also received a legacy of £500 from the Estate of the late Mr. GEORGE HIRONS. This sum was allocated to meet part of the cost of the X-ray, the balance being raised by entertainments of various kinds and some donations, and we are greatly indebted and grateful to those who so enthusiastically came forward to help on such a really generous scale.

We had a further gift of a new Theatre Table at a cost of £120. The donor prefers to remain anonymous, but we wish to record our gratitude for a very handsome presentation.

We again thank all our subscribers for their continued support, and also the Red Cross nurses for their splendid services during the year.

The Linen League continues to give good service to the Hospital, and we are grateful to them.

We have to thank again all the voluntary workers of the Contributory Scheme, which continues to be a source of income to the Hospital.

Finally, our thanks are due to the Medical, Nursing, and Domestic Staffs for their loyal services during the year.

Signed on behalf of the Committee of Management,

F. B. HANCOCK,

SHIPSTON-ON-STOUR,

Chairman.

March, 1943.
